Public Request

Village Residents and General Public,

For those of you who are following the news, the Federal Government has just put out a plea for masks. If you are a construction company that has a supply of unused N95 masks, please donate them to the local hospitals or ambulance services. There will be an increased need for this equipment in the coming weeks and we would like to support those Medical Agencies in any way that we can.

If you have some you are willing to donate please call James Blackburn at (315) 854-4855 to schedule delivery of these items. We appreciate all of your help in this matter in supporting our communities.

Respectfully,

Michael S. Hammond

Michael S. Hammond, Mayor
Village of Rensselaer Falls
