

April 25, 2021

Village Resident,

There is now a mail slot in the Village Office door for your convenience to drop your Sewer payments in each quarter. The box will be checked on the morning of the 21st of each quarter. Any payments placed in the box after the evening of the 20th will be considered late.

The June Village tax bills can also be dropped in the Office Mail Slot. Penalties applied after the due date.

Also, if anyone wishes to provide the clerk with a current phone number to have on file with their sewer and tax accounts, please provide along with your next payment.

Remember do **NOT** flush flushable wipes in our sewer system. They are not really flushable items. They are not biodegradable and will plug our system at a cost to the homeowner.

Please see inserts regarding the Historical Societies Village Wide Yard Sales and the upcoming Falls Fest Fundraiser on May 22, 2021. You will also find a donation letter for the Rescue Squads recent purchase of a \$40,000 LIFE PACK 15. Please consider donating.

Thank you,

Lisa Hammond
